2 COMPLAINT PROCEDURE

- 2.1 Anyone who witnesses or is the subject of a breach of this Code of Conduct or who otherwise has concerns about the conduct of any person or Club covered by this policy or who has suggestions about how the Association might operate better may report their concerns to the Secretary in writing by post or via email: smallboresurrey@gmail.com
- 2.2 All complaints will be treated as confidential. The Secretary will seek to establish whether the complainant wishes to provide further details and/or take the matter further on a formal basis, unless it is clear from the initial communication that a formal approach is required. It is appropriate for the Association to enquire whether a complainant seeks informal resolution and also about the outcome that they seek to achieve.
- 2.3 Even if a complaint is stated as being informal or the complainant states that they do not wish for the matter to be taken further, if the complaint gives rise to a suspicion of a breach of this Code of Conduct, including but not limited to safety rules or child and vulnerable adult protection policy, the Association reserves the right to take disciplinary action and/or to pass the information on to the appropriate authority, including the police, NSRA or other relevant Governing Body. All complaints relating to child and vulnerable adult protection will be passed directly to the Association's Protection Officer, who will deal with the matter in accordance with the Association's Child and Vulnerable Adult Protection policy.
- 2.4 In the event that a complaint is deemed by the Secretary and Chairman as appropriate to progress to the formal stage of the complaints procedure, the Association shall appoint a panel of two or three members of the Association committee i.e. Officials (or such other persons as may be suitably qualified or experienced to address the matter in hand) ("Enquiry Panel") to investigate and respond to the complaint. The Enquiry Panel must investigate and respond to the complaint without unreasonable delay.
- 2.5 The Association may make further enquiries of the complainant and others as appropriate, seeking to maintain confidentiality to the extent reasonably achievable. However, complainants must accept that the facts or circumstances giving rise to investigation may allow a person responding to enquiries to surmise the identity of the complainant or the alleged wrongdoer. The Enquiry Panel must make efforts to ensure that it properly understands the details of the complaint and may request the complainant to attend a meeting if the Panel deems that it is necessary and appropriate to do so.
- 2.6 In the event that the Enquiry Panel concludes that the complaint does not give rise to reasonable grounds to discipline a person or Club, the Enquiry Panel will respond to the complainant in writing, giving reasons for their finding. The Enquiry Panel must similarly inform the person or Club against whom a relevant allegation has been made and inform the Committee of the decision, but without giving reasons.
- 2.7 The complainant has the right to appeal against the outcome of the complaint in accordance with the Appeal procedure.
- 2.8 In the event that evidence is produced which the Enquiry Panel reasonably believes should give rise to disciplinary action against a person or Club covered by this Policy, the Panel must inform the Secretary immediately. Provided that the Secretary and

Chairman determine that there is a case to answer, the Secretary and Chairman must convene a Disciplinary Panel in accordance with the Disciplinary Procedure.

2.9 In these circumstances, the Enquiry Panel, acting together or by a delegated member of it, may make further enquiries and shall take the investigatory role in the disciplinary process.

2.10 The response to a complaint giving rise to a formal disciplinary process must be suspended until the Disciplinary Procedure has been followed and concluded.

3 DISCIPLINARY PROCEDURE

3.1 If the Secretary receives information or evidence (whether under the complaint procedure or otherwise) that indicates a breach of the Code of Conduct, the Secretary and Chairman shall determine whether it is appropriate to consider informal resolution and/or issue appropriate guidance instead of pursuing formal resolution and may take steps as they deem appropriate.

3.2 If the Secretary and Chairman establish that there is a case to answer and that formal action is appropriate, the Secretary and Chairman must convene a Disciplinary Panel of two or three Association committee members (i.e. Officials), not including those involved in the connected Enquiry Panel. One member of the Disciplinary Panel may be a suitably qualified or experienced person (as determined by the Association) who is not an Official.

3.3 The Disciplinary Panel must act in accordance with the principles of natural justice and reach a conclusion without unreasonable delay.

3.4 If an Enquiry Panel has not been convened prior to the decision to proceed with a formal disciplinary procedure, the Secretary and Chairman shall appoint an Enquiry Panel in compliance with the Complaints Procedure. The Secretary and Chairman and Enquiry Panel must pass all relevant evidence to the Disciplinary Panel without unreasonable delay.

3.5 The subject of the allegation(s) (Respondent) must be invited to a formal disciplinary meeting in writing by the Disciplinary Panel, be advised of the nature of the allegation(s) against them, be given due notice of and access to the evidence to be relied upon and notice of the sanction(s) under consideration and be given an opportunity to state their case before the Disciplinary Panel.

3.6 The Respondent may be accompanied to a disciplinary meeting by an Official or a member of a Club, or a member of their own club if they are from outside the Association. In the event that the Respondent is unwilling or repeatedly unable to attend a disciplinary hearing, the Disciplinary Panel may proceed in the Respondent's absence and reach its decision on the available evidence.

3.7 Any matter brought to the attention of the Association in which the Chairman and Secretary or Disciplinary Panel decides that the matter should be dealt with by the Police will be referred accordingly. Any action to be brought under the Association's disciplinary procedures may be suspended until the outcome of a criminal investigation is determined or may be proceeded with, as the Association's Chairman and Secretary shall at their discretion determine or as may be directed by the Police.

3.8 If an allegation is such that any Police Firearms Department should be notified of it, the Secretary shall give such notice within 24 hours of receiving the report.

Conduct of disciplinary proceedings

- 3.9 The Disciplinary Panel's first obligation is to decide whether or not any allegation has been proved, on the balance of probabilities based on the available evidence.
- 3.10 If the Disciplinary Panel decides that any allegation has not been proved it shall declare formally that the particular matter is closed. The Respondent will be entitled to ask for notice to that effect to be given to appropriate parties, and if he/she does so, such notice should be given without unreasonable delay.
- 3.11 If the Disciplinary Panel decides that any allegation has been proved, it may impose one or more of the following penalties:
- 3.11.1 A verbal warning
 - 3.11.2 A written reprimand
 - 3.11.3 Suspension of the right to enter any of the Association's competitions for a fixed period of time or for life.
 - 3.11.4 Suspension of the right to use any of the Association's facilities for a fixed period of time or for life.
 - 3.11.5 Suspension of all membership rights for a fixed period of time.
 - 3.11.6 Immediate termination of membership of the Association or, in the case of a non-member, of the right to enter Association competitions or make use of any of the Association's facilities.
- 3.12 If the Disciplinary Panel finds that any allegation has been proved, the Disciplinary Panel must decide whether the circumstances are such that the matter should be reported to the NSRA, bearing in mind NRSA rule 1.7.2, or other National or International Governing Body, which may consider whether further disciplinary action should be taken. If the Disciplinary Panel decides that the matter should be so reported, it must state the reasons for that decision. The Secretary shall make the report without undue delay after the Disciplinary Panel's decision.

4 APPEALS

- 4.1 Should a complainant be dissatisfied with a decision taken by an Enquiry Panel or a Respondent be dissatisfied with a decision taken by a Disciplinary Panel, they may appeal to the Chairman at shootingfutures@surreysbra.org or via the Secretary within 2 weeks of the decision. Any appeal must be in writing, stating the grounds for appeal. Appeals may also be made against Association selection decisions. Any decision or penalty imposed by the original Panel will stand unless it is reversed on appeal.
- 4.2 The Chairman will refer the appeal to an Appeal Panel, drawn from the Affiliated Clubs. It will normally be composed of and chaired by one of the Affiliated Club's chairmen, and 2 other representatives from these Clubs, one of whom will act as a secretary. All members of the Appeal Panel must be independent and must not have had any prior involvement in the matter under appeal. The Panel may also co-opt or consult such other people as it deems are suitably qualified or experienced to address the matter in hand.
- 4.3 The Appeal Panel will have the authority to review all evidence and findings of the previous Panel. They may hear new evidence if they believe it to be relevant.
- 4.4 Where a matter is subject to appeal, the complainant or the Respondent bringing the appeal must be invited to a formal appeal meeting in writing by the Appeal Panel, be given due notice of and access to any new evidence that may be relied upon and be given an opportunity to explain their grounds of appeal before the Panel.
- 4.5 The complainant or a Respondent may be accompanied to an appeal meeting by an Official or a member of a Club or organisation or a member of their own club or organisation if they are from outside the Association. In the event that a Respondent

is unwilling or repeatedly unable to attend an appeal hearing, the Appeal Panel may proceed in the complainant's or Respondent's absence and reach its decision on the available evidence.

- 4.6 The Appeal Panel may review and amend or reverse any disciplinary penalty. Their findings are to be promulgated in writing (which may include publication on the County website area to which registered users have access, to Club and organisation secretaries and to any relevant National Governing Body) without unreasonable delay. The decision of the Panel is final. There is no further right of appeal.

5 GENERAL

- 5.1 All proceedings and investigations of Enquiry, Disciplinary and Appeal Panels must be properly minuted and evidence and minutes must be retained and kept safe for an appropriate period.
- 5.2 In the event that a complaint or disciplinary allegation directly involves the Secretary and/or Chairman and/or other Official and/or Co-opted non-Official Panel member personally or as a witness, that person must not adopt a decision making capacity in determining the relevance or otherwise of informal resolution, determining whether or not there is a case to answer or by being on or appointing a Panel. Another appropriate person must be charged with the responsibility.
- 5.3 In circumstances where the Chairman and Secretary or other two Officials, Co-opted non-Official Panel members or Club or organisation representatives cannot reach a majority decision on a matter for which they have responsibility to decide, they may call on an appropriate Official or Club or organisation representative (on appeal) to break the deadlock.
- 5.4 All those covered by or involved in complaints and disciplinary processes in this Code of Conduct, including complainants and Respondents, panel members and Officials, must use their best endeavours to maintain confidentiality and to comply with data protection principles, including in relation to the evidence and the identities of those involved in the processes, whether formal or informal.
- 5.5 In any event, the Association reserves the right to report allegations, evidence or findings to appropriate authorities at any time, where required by law or under the rules of any relevant National or International Governing Body.
- 5.6 National and International Governing Bodies may include but are not limited to the National Small Bore Rifle Association, the National Rifle Association and the International Sport Shooting Federation.
- 5.7 This Code of Conduct is a non-contractual bye-law of the Association and the Association reserves the right to add to, vary or amend it at any time, including where it deems it reasonably necessary to meet the exigencies of any particular matter.
