\*The committee proposal is to add the wording in red as below to allow the AGM to take place if a quorum is not met after two attempts. This is to enable the business of the Association to be able to continue for another year in this event.

14.1 Twelve persons present representing at least 25% of Affiliated Clubs and organisations and entitled to vote as representatives of those clubs and organisations, shall constitute a quorum at a General Meeting.

If after 30 minutes from the time stated for the commencement of the Meeting there are still insufficient Members present to form a quorum, the Meeting shall be adjourned to another time and place.

The adjourned Meeting shall take place within 42 days of the date of the original Meeting, or as soon after as is practicable. If at the adjourned Meeting there are insufficient Members present to form a quorum, the Meeting will proceed after a delay of 30 minutes.
